

KM-CD1310-20-SMF

Gigabit Optical Module

- Single mode double fiber
- LC port
- 1310nm sending, and 1310nm receiving
- Transmission distance up to 20 km

Technical Specification

Hardware

Optical Fiber Type	Single mode double fiber
Optical Port Type	LC
Speed	1 Gbps

Performance

Wavelength	1310 nm sending; 1310 nm receiving
Transmission Distance	20 km
Relative Humidity	5%–95%
Operating Temperature	–40 °C to +85 °C (–40 °F to 185 °F)
Storage Temperature	–40–85 °C
Max. Speed of Optical Port	1 Gbps
Product Dimensions	55.5 mm × 13.4 mm × 8.5 mm (2.19" × 0.53" × 0.33")

Dimensions (mm[inch])
